Year 13 Study Leave

The year 13 study leave will commence on Monday 6th June. Throughout this time year 13 subject staff will be delivering targeted revision during the year 13 timetabled lessons – subject staff will liaise directly with students regarding which sessions they are expected to attend.

Should a student have an exam they will be released from lessons the day before for revision e.g. an exam scheduled on Tuesday morning will mean they do not have to attend lessons on the Monday.
