Year 13 Study Leave

The year 13 study leave will commence on Monday 20th May. Throughout this time year 13 subject staff will be delivering targeted revision during the year 13 timetabled lessons – subject staff will liaise directly with students regarding which sessions they are expected to attend.

Should a student have an exam prior to study leave formally starting (Monday 13th May – Friday 17th May) they will be released from lessons the day before for revision e.g. an exam scheduled on Wednesday morning will mean they do not have to attend lessons on the Tuesday.
