

TPAT Sixth Form vs College – Ten Powerful Reasons to Choose TPAT Sixth Form

Feel at Home

Join a welcoming, familiar environment where you're surrounded by teachers who know you and classmates who support you. No need to start over - just start strong.

Support That Matters

With just 200 students and a structured school day, help is always close by. Whether it's academic guidance or personal support, you're never on your own.

Feedback That Fuels Success

Smaller class sizes mean more personalised feedback - frequent, detailed, and tailored to help you grow faster and go further.

Stay Connected

Colleges can feel overwhelming. At TPAT Sixth Form, you'll stay connected to familiar faces and routines, making your transition smoother and more enjoyable.

Start Strong

Our induction programme helps you settle in quickly, meet your teachers, and explore your subjects. We make sure you're on the right path from day one.

More Teaching, More Attention

With five hours of teaching per A Level subject each week and class sizes around ten, you'll benefit from focused, individualised instruction that makes a real difference.

Your Day, Your Time

Our sixth form follows the LPA school day, so lessons finish by 3pm. That means more time for enrichment, part-time work, or just recharging.

Smarter Study Time

When you're not in lessons, supervised study sessions help you stay focused and productive. It's structured independence - with support built in.

Outstanding Destinations

Your chances of going to university are doubled compared to the national and local average. We don't just prepare you for exams – we prepare you for life.

Proven Results

We're proud to lead the way as the **top-performing sixth form for student attainment** in both **Swindon and Cirencester**. At The Park Academies Trust, we're not just part of Swindon's educational landscape - we're reshaping it. Our schools are celebrated for **exceptional achievement**, thanks to a culture of high expectations, expert teaching, and relentless support.

Whether you're aiming for university, apprenticeships, or your dream career, TPAT Sixth Form gives you the edge. With your ambition and our proven track record, the possibilities are limitless.

Your ambition + our teaching = unstoppable outcomes.
