# The Park Academies Trust Sixth Form Students Union

## **Student Union**

Student leadership is an integral part of The Park Academies Trust Sixth Form. Our Student Union offers students the opportunity to experience one of a number of leadership roles. Leadership enables our students to be proactive and independent, whilst empowering them with key skills for their future.

At TPAT Sixth Form, the Student Union represents an integral link between the student, teaching and governing bodies and the wider community. Representing all student members, the Student Union aim to, have a whole school impact through the leadership of student council meetings and instilling the house ethos. Working alongside Faculty Leads the Student Union endeavour to have a positive impact on the arts and sport and continue to have an impact on the wider community through the House charities.

The Student Union also expands upon normal school life by running regular social and cultural events throughout the school calendar right the way from freshers to the year 13 leavers' evening.

The Student Union meets on a fortnightly basis and is run by the Pupil Principals.
