THE SUBJECTS YOU HAVE CHOSEN AT A LEVEL AND WHY.

Why do we need to listen?

We need to be able to listen as well as speak.

Taking effective notes in class and being able to reference back to those notes is often a new skill in sixth form.

Read All About It!

Find a news article to read. You must pick out the 10 KEY points from the article and write them on individual bits of paper

With your three friends on your video call compare your notes, do you agree?
Would you be able to explain the article to someone using only your 10 key points?
